**\*\*IMPORTANT NOTICE ABOUT SCHOOL REOPENING (PHYSICALLY)\*\***

Dear Parents,

We are very glad to inform you that we have started the process of reopening the school in the near future. We have received a guideline from UP Government for classes I to V. Since there is no guideline specially for Nursery and KG, we will be following the same guidelines as suggested by our school committee.

Kindly find attached a consent form for the same and a guideline with all the instructions which must be followed strictly. Online classes will continue for the students whose parents are not willing to send their kids to school.

**Parents are requested to read all the instructions very carefully.** We look forward to your kind cooperation and support.

Thanking you,

Coordinator

Kislaya Nursery School.
